Hey Marty,

I forgot to include this in my earlier email, but I wanted to check in with you regarding your position on my letter dated August 11, 2008 regarding various discovery issues. I would like to resolve these issues prior to taking the depositions of the defendants, so please let me know whether you plan on complying with the requests in my letter or whether we're looking at a motion to compel. Thanks.

Marty,

We may have a trial going forward on September 9. I won't know whether this trial is going until August 18. I anticipate that the date will be continued, but let me check back in with you on the 18th. If the date is continued, we may be able to do depositions on the 8th, 10th, and 11th.

Thanks.
